

USEFUL INFORMATION FOR CONTRACTORS

Electric hookup arrangements:

Call Florida Power & Light (FPL) (800) 345-2505

- The contractors are required to provide their own power at construction site.
- The contractor must provide the exact address of the new house.
- A deposit to the County is required for hook-up.
- Hook-ups can only be made to the large transformers, not at the site itself.

Water hook-up arrangements

Call St. John's County Water (904) 471-2161

- Contractors are required to provide their own water supply at construction site.
- The contractor must provide the exact address of the new house.
- A deposit and other hook-up fees to the County are required.
- Sewers do not apply to Oakbrook
